

DISCOVERER ATT

ALL TERRAIN

OFF-ROAD TRACTION

DURABILITY

DISCOVER MORE ADVENTURE

Cooper Discoverer ATT an all-terrain tire for SUVs and Pickup Trucks. Off-road toughness with highway comfort.

AVAILABLE SIZES

Optimised Sub Tread Design
Absorb road vibrations to deliver a comfortable ride and better fuel consumption

OFF ROAD TRACTION

High Silica Content Compound
Provides excellent cut and chip performance, best-in-class tread wear and traction

Hinge-Shaped Central Rib
Effective transmission of power, and provide excellent traction

Stone Ejection
Design to eject stones and gravel easily. Protect the tire from stone drilling into the carcass and maintain a clean tread to improve traction

DURABILITY

High Tensile Body Ply / High Tensile and High Density Steel Belts / 360° Raised Curb-Bar Design

- Improved resistance against cuts and punctures
- Higher load carrying capacity

Advanced All-Terrain Tread Pitch Sequence
Reduces tire noise to deliver a quieter ride

Whisper Grooves
Provides a sound barrier that reduces road noise
