EVOLUTION C5

ALL- SEASON

Conquer the wet with Cooper Evolution C5.
An all-seasons passenger tire with special
groove design for more effective water
dispersion

WET PERFORMANCE

Designed with four wide
circumferential grooves to disperse
water effectively to prevent
hydroplaning

WET PERFORMANCE TREAD COMPOUND

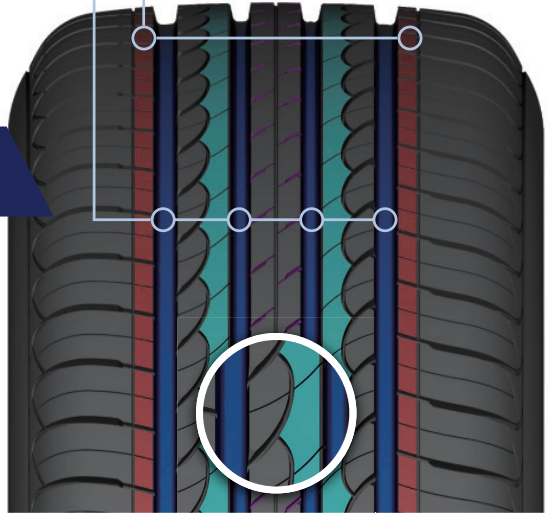

Designed with skid resistant tread
compound with high performance
tread pattern for outstanding wet
performance and longer tread wear.

QUIET RIDE

Optimized tread design to reduce
road noise with strong shoulder
rib to minimize vibration for a
more comfortable ride
